

# Small Boat & Midrange Deck Organizers

Deck organizers lead halyards and control lines aft, allowing crew to sail from the security of the cockpit. Deck organizers lead a large number of lines through a small space. Harken® deck organizers feature ball bearing sheaves and are available in double, triple, and stacked double and triple configurations.

**Use for:**  
 Halyards  
 Control lines  
 Reef lines  
 Outhauls  
 Pole lifts

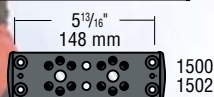

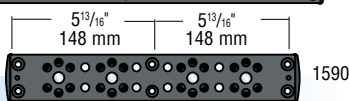

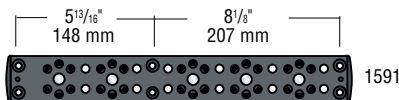

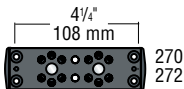

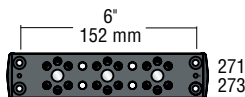

Self-contained sheaves  
 Large-diameter, ball bearing sheaves

Compact length and low-profile construction

Stacked 2-sheave saves deck space
